Step 1: An officer with a grievance shall first discuss the matter with his immediate supervisor, either directly or through the P.B.A.'s designated representative, for the purpose of resolving the matter informally.

Step 2: If the aggrieved party is not satisfied with the disposition of his grievance at Step 1, or if no decision has been rendered within five (5) working days after presentation of that grievance at Step 1, he or she may file a written grievance with the Chief of Police or, in his absence, a representative designated by the Chief of Police. A meeting on the written grievance shall be held within five (5) working days of the filing of the written grievance between the Chief of Police or designated representative and the aggrieved party. parties so agree in writing. The Board of Commissioners shall render a final written decision within fifteen (15) working days of the date of the meeting. The grievance shall be filed within twenty (20) working days of the filing of the Step 2 grievance.

Step 4: In the event that the aggrieved person is not satisfied with the decision of the Board of Commissioner, the P.B.A., if the P.B.A. on his or her behalf determines that the grievance is meritorious, has fifteen (15) calendar days in which to request arbitration.

The Chief of Police or the designee of the Chief of Police shall make the determination of what constitutes an "emergency situation".

D. No more than one person on personal leave per shift on first come, first serve basis shall be permitted, unless otherwise approved by the Chief of Police or the designee of the Chief of Police.

ARTICLE XI

SICK LEAVE

A. Sick leave shall accumulate at the rate of one and one-quarter ($1\frac{1}{4}$) days per month in the first year of service, commencing on the first month or major portion thereof from the date of hire. It is assumed the employee shall remain in the service of the Township for the remainder of the calendar year and the total number of sick days prorated and shall be credited to the employee. If separation occurs before the end of the year and more sick leave has been taken than appropriated on a prorated basis, the per diem rate of pay for the excess shall be deducted from the final pay. Sick leave shall accumulate from year to year with additional one hundred and twenty (120) hours credited to the employee at the beginning of each successive calendar year.

B. Any employee eligible to retire in a calendar year shall notify the Township in writing through the Chief of Police or the designee of the Chief of Police no later than January 15th of that year, but in no event less than thirty (30) days prior to the planned retirement date or eligibility date of the intent to retire. Failure by the employee to make timely notice to the Township shall provide the Township with the sole option to determine making this payment until the next calendar year.

C. Upon retirement, police officers shall be paid for sixty percent (60%) of all unused sick leave which they have accumulated. The maximum amount paid for unused sick leave to an officer who commenced service to the Township prior to May 21, 2010, and remained in Township service thereafter shall be the equivalent of five (5) months' pay, if

The maximum amount paid for unused sick leave to an officer who commenced service to the Township on or after May 21, 2010, shall be \$15,000. Unused sick time shall be paid within sixty (60) days of retirement, unless mutually agreed upon by both the retiree and the Township to defer or expedite payment.

D. Work loss due to injury or illness possibly arising out of the course of employment shall not be chargeable to sick leave until and unless the employee's Workers' Compensation claim is denied.

F. Maternity Leave

1. 2. A female officer shall advise the Chief of Police or the designee of the Chief of Police in writing as soon as she has received confirmation of her pregnancy from a doctor. The female police officer shall be permitted to work so long as her doctor permits such work. The Department shall have the right to request a note confirming the doctor's opinion that the officer is able to continue to perform the work of a police officer assignment. The medical note shall be from a physician of the officer's own choosing. However, the Township reserves the right to have the Police Physician consult with the officer's physician for the purpose of determining whether the officer shall be approved for duty. The information obtained from such consultation shall be shared with the Chief of Police or the designee of the Chief of Police and the Township in a manner limited to providing only that information necessary to advise the Township of the officer's availability for duty and the nature of that duty.

G. Officers may use sick time as set forth in Section A. to care for an immediate member of their family. An "immediate" family member shall be limited to the officer's spouse, child, stepchild, parent, spouse's parents, or any other family member that resides in the officer's home and is reliant upon the officer for care and support. The Chief or Police or the designee of the Chief of Police must approve any exceptions to this provision.

ARTICLE XII

D. An employee whose spouse or child dies is to be given an additional fifteen (15) days bereavement leave before he or she must report back to duty, which time shall not be deducted from employee's vacation, personal or sick days.

E. In the event of the death of a member of an employee's family while said employee is on vacation or holiday leave, said employee shall be entitled to funeral leave as it is authorized by this Agreement and such leave shall not prejudice an employee's vacation rights granted by this Agreement. The employee, in mutual agreement with the Chief of Police or designee, in such cases, shall be required to reschedule his or her unused vacation time in the same calendar year.

F. Exceptions to these time limitations may be made by the Chief of Police, or designee, upon timely notification by the officer when the deceased is buried in another state and the officer will be unable to return for duty and adhere to the time limitations stated in Paragraph A and B above.

G. An officer shall be entitled to take comp time or "Murphy Time" required to complete a twelve (12) hour tour when there is a balance of bereavement time that does not round out into a full tour of duty.

Base salary shall be used to determine what an employee earns for the purposes of this Article and shall mean pensionable salary.

"Cost of coverage" means the premium or periodic charges for benefits.

Employee contributions shall be made by way of withholding of the contribution from the employee's pay, salary, or other compensation.

Withholdings shall be made by way of equal payroll deductions, to the extent possible, in accordance with the Township's customary payroll practices unless otherwise required by law.

G. The Township shall establish a Section 125 Flexible Spending Account plan ("FSA Plan") pursuant to Federal and State legal requirements effective January 1, 2011, which employees may elect to participate through employee contributions made via equal payroll deductions in accordance with the Township's customary payroll practices and the FSA Plan.

H. Upon an officer's retirement at twenty-five (25) years of service, the Township shall provide retiree medical and prescription benefits as made available under the State Health Benefits Plan. The Township shall also provide eye glass and dental plan coverage substantially similar to the plan in effect at the time of retirement. Only those officers with twenty (20) or more years of creditable service in a State administered pension system earned or recognized by the State as effective as of June 27, 2011, who also meet the above twenty-five (25) years of service requirement at the time of retirement, shall be exempt during retirement from the contribution requirements contained within Section F of this Article. All other employees who retire with twenty-five (25) years of service shall contribute, through the withholding of the required contribution from their monthly retirement allowance in an amount determined by applying the amount of their annual retirement allowance and any future cost of living adjustment thereto to the dollar ranges and contribution percentages contained within Section F of this Article.

The parties further

agree that the Township will give notice to the PBA of at least sixty (60) days of the Township's intent to change insurance providers. Should a dispute arise as to whether or not the change of policy proposed will be substantially similar to the current benefits, the matter will be submitted to binding arbitration in accordance with the arbitration procedures established under the Grievance Article of this Agreement. The decision of the arbitrator shall be in writing and shall be final and binding on all parties.

ARTICLE XVI
COLLEGE INCENTIVE PROGRAM

A. The Township agrees that the amount and quality of any employee's education often determines the value of his or her contribution to the community and the degree of proficiency with which he or she performs his or her duties. In order to provide an incentive to encourage the employees to achieve the advantage of higher education, the Township agrees that each employee who receives academic credit for study in an institution of collegiate level which offers a college curriculum leading to or creditable toward an undergraduate baccalaureate or associate degree in law enforcement or other related curriculum shall be paid a college incentive program compensation at the rate of \$10.50 per credit per annum as additional compensation. Such additional compensation will be paid only for credits up to and including the baccalaureate degree. Such additional college incentive program compensation shall be added to and become part of the officer's annual salary, commencing the pay period next following production of evidence or proof of completion of said credits or degree.

Associate Degree or 64 credits	\$672.00
Baccalaureate Degree or 128 credits	\$1,500.00

B. The Township shall allow the officers to attend college off duty and will fund both tuition and book fees, keeping a running account of these expenses. There will be no limit to the number of officers attending college at any given time. For as long as there is a balance due in the account of the expenses funded by the Township to the officer, any monies which would have otherwise been paid to the officer pursuant to the college

incentive program compensation set forth above will instead be retained by the Township to reimburse it for the expenses paid by the Township for the officer's college credits.

C. Upon graduation and the awarding of a degree, the college incentive program compensation shall continue to be paid to the Township until the Township is completely reimbursed for the expense of the officer's education. This procedure shall only apply to those officers pursuing a degree in law enforcement or other related curriculum.

ARTICLE XVII

HOLIDAYS

A. The Township recognizes that the fact that officers are regularly scheduled to work holidays may cause a hardship on their families.

All officers will receive 80% of 21 days pay, which will be computed using an eight (8) hour day, which will be added to their base salary. This will be added before computation of the overtime rate and longevity. The parties agree to reopen negotiations should the Division of Pensions grant an additional "holiday," suspend or reduce the Township's contribution to the fund in any year. This computation shall be made regardless of the schedule that the employee works, that is to say regardless of the employee working an 8 (eight), 10 (ten), or 12 (twelve) hour shift.

B. The Township and the P.B.A. agree to recognize as holidays such additional days as shall be designated for all of the Township of Long Beach as set forth in the appropriate ordinance or resolution adopted by the Township for such purpose.

C. Employees of the Police Department shall receive time off (comp time) in a manner commensurate with other Township employees. The P.B.A. agrees that this clause shall be exclusive of the Friday after Thanksgiving only, thereby meaning that if the Township gives the day after Thanksgiving off, there shall be no time off awarded for any member of the collective bargaining unit who works that Friday.

D. As a result of collective bargaining negotiations between the Township and P.B.A. Local 373, the parties have agreed to include holiday pay in base as set forth above. The percentage figure has been arrived at by mutual agreement between the parties and in consideration of the Township's payment or pension payments on behalf of the members of Local 373 to the Police and Fire Retirement System for each member.

ARTICLE XVIII

HOURS OF WORK AND OVERTIME

A. The guidelines for the work schedule (twelve (12) hour shifts; two (2) days on, two (2) days off; three (3) days on, two (2) days off; two (2) days on, three (3) days off the three (3) day tours being Friday, Saturday and Sunday) as presently constituted and incorporated herein shall be maintained for the life of this Agreement. The Chief of Police shall have the ability to schedule Detectives to a ten (10) hour schedule (four (4) days on, three (3) days off). Overtime shall be paid in accordance with the law in such case made and provided. The officers shall be paid time and one-half of annual salary when required to perform duties which take time in excess of the normal work schedule or for work performed in excess of their regular scheduled work time, all in accordance with the law in such case made and provided. Paid overtime shall be paid for regular duties as well as for range, classes and meetings. Such overtime shall not be less than two hours per range session, class or meeting. Paid overtime shall not be paid when the officer is in regularly scheduled training programs outside the limits of Long Beach Township. Time spent for such training shall be compensated by an equal amount of time off. This shall be limited to traveling time plus time spent in training.

B. Overtime shall be paid to each officer by separate check on the payday next following the pay period in which the overtime pay was accrued. At the option of the officer, compensatory time off in lieu of overtime may be taken. If compensatory time off is taken it shall be at the same rate as overtime (time and one-half) as per Garcia FLSA Act.

C. Overtime work, when necessary, shall first be offered to regular members of the Police Department on an equitable and rotating basis, based on seniority at each rank.

D. If an employee is called for work for an emergency situation or to cover for another employee who is absent, said employee shall receive a guarantee of not less than four (4) hours work, notwithstanding the fact that the actual work performed may be less than provided by this guarantee. This minimum shall not apply to overtime worked at either end of a regularly scheduled shift. Any officer required to be "on-call" will receive one hour of comp time for each scheduled day and two hours for each day off. "On-call" will be defined as a situation where the officer is required to be prepared to respond during his regularly scheduled days or hours off. The Chief of Police or the designee of the Chief of Police will determine when an officer is placed "on-call" for duty with the exception of being under subpoena.

E. Where the work schedule is required to be changed or amended as the need may arise, the work schedule shall not be changed or modified without forty-five (45) days advance notice in writing to all members of the department. The guidelines for the work schedule or the current work schedule as set forth may be changed immediately in cases of emergency in accordance with New Jersey Statutes and the New Jersey Administrative Code.

F. The work year for all employees shall be 2080 hours. Due to the nature of the twelve (12) hour schedule, officers are scheduled for more than 2080 hours. Each

employee whose work schedule results in him or her working in excess of 2080 hours shall receive compensatory time at the rate of an hour for an hour for the excess of time worked. Officers shall be credited with this excess time on January 1st of the year in which they are scheduled to work the excess hours. This credited time will be titled "Murphy" time and must be used in the calendar year in which it was earned and may not be carried over unless by mutual consent of the parties. It is assumed the employee shall continuously report to full time work as scheduled for the entire calendar year, with the exception of sick leave and vacation time, and the total amount of "Murphy" time credited to the employee will otherwise be pro-rated in the event the employee does not continuously report as scheduled for the entire calendar year.

G. The Chief of Police has the right to schedule officers to work a twelve (12) hour shift on thirty (30) days notice without further negotiations. Thus on 30 days notice the Chief may change any officer's schedule to a twelve (12) hour shift.

ARTICLE XIX

ROADWORK

A. The Township has adopted an ordinance (02-01c) allowing outside employment for Long Beach Township Officers and P.B.A. recognizes that it is in the best interest that employment by outside entities be best run through the Department.

B. The P.B.A. agrees that the rate for employment for work done by the employees should be at a different rate and in accordance with this the schedule below shall apply.

2014, 2015 and 2016: \$65 per hour

C. The officer will be considered on duty while working under the ordinance and the Township shall not differentiate with regard to pension or workers' compensation issues with regard to the employee.

D. The minimum that an officer shall be scheduled to work under this ordinance shall be 4 hours and cancellation must be within the prior twelve (12) hours of the scheduled start time.

ARTICLE XX
EMERGENCY MEDICAL TECHNICIAN,
ADVANCED TRAINING AND ON-CALL

The Township recognizes benefits to its citizens when officers maintain the advanced training of an EMT; therefore, any officer who possesses a valid NJ Emergency Medical Technician Certificate ("EMT Certificate") shall be compensated in the following amounts: 2014: \$2,150; 2015: \$2,150; 2016: \$2,150.

In lieu of an EMT Certificate, an officer shall be eligible for the above stipends if s/he attends all advanced Police management training selected and directed by the Chief of Police from time to time during the applicable calendar year.

This compensation shall be added to the officer's base salary after the college incentive is added. This sum shall be prorated and be discontinued if the officer does not maintain the EMT Certificate or complete the advanced Police management training required.

The cost for the initial training shall be borne by the officer, with the Township being responsible for any renewal training and/or recertification.

The P.B.A. consents to the initial training of officers if he believes it is in the best interest of the people.

In no event will an officer be paid more than one of the above stipends.

ARTICLE XXI

SHIFT DIFFERENTIAL

A. The Township recognizes the fact that shift work may create a hardship for the employee and the employee should be compensated. Sergeants shall receive \$1,000.00 shift differential added to the base pay. Additionally, the night shift and a Sergeant working a rotating 12-hr. day will also receive a 3% differential.

B. The Detective Sergeant and a Sergeant working a rotating 8-hr. day shall be entitled to a 2% shift differential regardless of the actual hours worked together with the \$1,000.00 added to the base as shift differential.

C. An employee's base salary shall be adjusted to include the shift differential payment, which shall be paid to the employee in his regular paycheck. The Chief of Police or designee shall validate the shift differential work record.

D. The current practice of submitting a shift differential request on a per diem basis will remain in effect for both Lieutenants and Captains. This does not include the Det. Lieutenant who shall continue to receive a 2% shift differential.

ARTICLE XXII

SALARIES

A. Salaries for employees are based on 2080 hours per year.

B. Base salaries* for this agreement are as follows:

2014: 2%

2015: 1%

2016: 2%

*Base salary excluding college, holiday and shift differential, which differs for each officer. These components are added to the above base salary to determine the officer's guaranteed pay.

ARTICLE XXIII

SAVINGS CLAUSE

In the event that any Federal or State legislation or government regulation, including the Internal Revenue Service, or court decision causes invalidation of any Article or section of this Agreement, all other Articles and sections not so invalidated shall remain in full force and effect, and the parties shall comply and renegotiate concerning any such invalidated provisions.

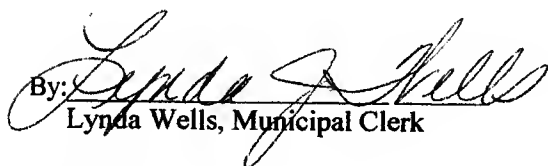

ARTICLE XXIV

DURATION

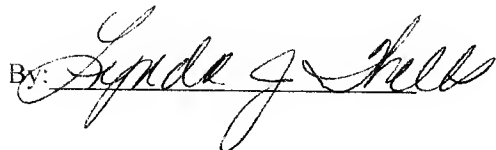

A. This Agreement shall be in full force and effect as of January 1, 2014 and shall remain in effect until December 31, 2016.
